Stand for LIFE

EPHESIANS 6:13

At Wellspring Life Ministry

we know that every child is an irreplaceable gift, knit together in their mother's womb and made in the perfect image of the Creator.

Sadly, we also know that the battle for the lives of the preborn rages on. Never in our lifetime has the abortion industry been so revered and protected by our government, while unapologetically promoting the death of innocent children.

But God...

God calls us to protect and defend the vulnerable among us. We must "take up our shield" and stand in the gap for abortion vulnerable women and each unique, precious, preborn baby created in the image of God.

Will you join us in this life-saving mission?

Now is the time to let our voices be heard, to stand our ground together in the battle against the tragedy of abortion.

Please prayerfully consider how God might be calling you to partner with us in serving women, saving lives, and sharing Jesus.
